# GRUMPY GROWLERS

This 6-week class is being offered for grumpy growlers age 9 months or older. Dogs must be evaluated by an instructor to be eligible to participate. Prior to the first class, owners must attend a two-hour lecture covering the behavior modification techniques that will be used in class. Owners and their dogs will then attend six weeks of class where they will practice these techniques with their dog. There are no promises dogs will be able to play with others after class ends; however they will begin to learn how to practice self-control when around other dogs.
