TDI PREP

Therapy Dogs International, Inc. (TDI) is an organization that certifies qualified handlers and their Therapy Dog for visitation to places where Therapy Dogs are needed. The primary objective of the TDI team is to provide comfort and companionship by sharing the dog with patients in hospitals, nursing homes, and other institutions. This is done in a way that increases emotional well-being, promotes healing, and improves the quality of life for the people and the staff being visited. Proper Paws University offers this class to prepare you and your dog to acquire the skills necessary to pass the testing, selection, and registration of qualified TDI partners.
